Mangaka's Words

Hi everyone, this is Shougo Akatsuki! I'm very happy to have you buy this manga. This is my third manga- I'm so glad for your support. Please continue to read!

Discussion on "Koi toka Ai toka"

When my editor told me to think of the name for the last chapter, I was told to write down what she suggested... "S.E.T.", was written down with cold sweat...

What to say... this manga was shutter-sticker, then finish... Instead of discussing whether it was "like" or "love", we were talking about the mysterious. I wanted to draw a really cute story, but the plot I was writing for it was getting more and more retarded. But, I'm still happy to write "O.P.D". My editor helped me out with it.
